

## Parking

In order to ensure that all our pupils and families remain safe, please refrain from parking on the school markings (yellow zig zag lines). These lines are there to allow children swift and safe access to the school site.

## Punctuality Matters

On Thursday we had a total of 8 pupils who were late. We would urge parents/carers to continue to allow time for delays in the morning and afternoons in order to arrive at school on time.

School bells ring at 8:50am.

## Free School Meals

We would be grateful if **everyone** completes an online registration form **irrespective of whether you are eligible or not**. This is to enable us to access extra funding. You only need to do this once and it will last for the duration of your child's time at our school. Have you completed yours? If not, visit [www.newham.gov.uk](http://www.newham.gov.uk) and search free school meals.

Alternatively come into the School Office and ask for Mrs Alexander or Mrs Allen who will be able to assist.

## Mrs Kumar's Brainteaser

It cannot be seen, cannot be felt  
cannot be heard, cannot be smelt  
it lies behind stars and under hills  
and empty holes it fills

Last weeks answer: Umbrella

## Medication

Please note that any medicine to be administered to your child during the school day **MUST** be handed in to the Main School Office and the necessary forms need to be completed. Please note this also includes Throat Lozenges which are not allowed to be left in children's bags.

## Safety Notice

We have been subject to some anti-social behaviour from secondary age children on and around our school site at the start/end of the school day. We are working with the community police to address this, but, if your children come to school or go home alone, it may be timely to remind them of how they can keep themselves safe during their journey.

## Mathletics
