### Top Table

### Head Teacher Awards

Well done to last week's winners!

### Head Lice

Please check your child's hair regularly for head lice and nits (head lice eggs laid close to the root of the hair). If your child has either it is very important that you treat your child and ALL the members of your household with a specialist shampoo.

Top Tips to prevent head lice:

- Wash hair at least every two days.
- Use conditioner every time (particularly in long hair). Thoroughly comb the conditioner through with a fine tooth comb, leave on for a couple of minutes, then rinse.
- Tie or plait long hair when coming to school.
- Check your child's hair at least once per week.

For more information go to [www.nhs.uk](http://www.nhs.uk) and search for head lice.

### Year 6

From the age of 11, children are eligible for an 11-15 Zip Oyster photocard, enabling them to travel for free on buses and trams in London. Parents/guardians can apply for these online at [tfl.gov.uk/photocard](http://tfl.gov.uk/photocard) as soon as they turn 11.
