

Important Changes for Free School Meals

The London Borough of Newham's Eat for Free scheme will be changing from April 2017. Please ensure that you support the School by applying for FREE Meals for your child as soon as possible. Have your NI number to hand for the application and visit www.newham.gov.uk/eatforfree to make your application.

The Eat for Free scheme ensures our children get a nutritious meal every school day, supporting them in their learning. More than 15,700 pupils in Years 3 to 6 are estimated to be in receipt of a meal under the programme who wouldn't get a meal through Government grants, saving parents and carers an estimated £437 a year per child.

Note: The DWP will only tell the Borough if you qualify, they will not give any information about the benefits you receive.

For help with your application, please speak to Mrs Alexander.

London Marathon

Our very own Mr Dawson will be running an astonishing 26 miles again for the London Marathon on 23rd April.

If you wish to make a donation to the World Cancer Research Fund, please follow the link.
