

RE Conference

On Thursday 25th January, six Year 5 pupils represented Winsor at an RE conference. During the day, the pupils worked with children from other local schools and focused on the theme of hope. The pupils participated in a debate, thinking about the question: Is success the key to happiness?

All pupils made valid contributions and backed up their thoughts with reasons and gave examples to make their point stronger. Another activity included discussing different religious quotes linked to hope and the final outcome was making a hope poem and a hope tree to bring back to school. All the activities during the day were designed so the pupils could be experts in their class when the unit is delivered to the whole class.
