

Reception and Year 1

As part of their end of year transition, the Reception and Year 1 children had a fun morning developing their social skills and skills linked to being responsible. To support their transition next year, all Reception children have a buddy in Year 1. During the visit to New Beckton Park, the children had the opportunity to spend time with their new buddy, whilst completing physical and creative activities, including making a teddy bear hat, working together as a team whilst playing parachute games and cheering each other on whilst on the long slide.

At lunchtime, the children had a well-deserved Teddy Bears' Picnic on the school field. Fun was had by all and the Reception children now have someone who they can turn to for support and advice, not only for the rest of this academic year, but more importantly when they begin their new adventure in Year 1. On the other hand, the Year 1 children will have the opportunity to share their experiences and develop their skills linked to caring for another.

The Reception and Year 1 teachers would like to thank all the parents who volunteered to support us with this visit.

Enterprise Week

For Enterprise Week, the Year 1 children are developing their work skills through the experience of running a smoothie bar from Monday 11th June until Friday 15th June.

The Atrium will be transferred into a mini-restaurant and the Year 1 children will make and sell milkshakes. Their experience will also include the handling of money, giving change where needed, and also the necessary jobs linked to washing up and preparing for new customers.

Throughout the week, all classes will have the opportunity to visit Year 1's Smoothie Bar, but only on the day they have been allocated. The milkshakes will be sold at the cost of 40p each and will be available in three flavours. If your child has an allergy to milk, there will be an alternative drink for them to buy.

If you would like your child to purchase a milkshake, please send 40p to school on the allocated day only. They will not get the opportunity to visit the smoothie bar on any other day.

Many thanks for your support.

Winsor Book Review

"The Adventures of Ottobah Cugoano"

I find this book very intriguing as facts about slavery are presented very well. Its plot makes you feel like you are reading a fiction book. You are about to see why. Ottobah, auctioned into the world of slavery, tells a tale to his nephew, Kifu, about how he coped with the struggles. He explains the struggles of watching others suffer and the experiences of slavery. It is an enlightening and interesting book about the rotten past of how some people used to be very cruel to others with a different skin colour.
