

## Snow

Last week, in consultation with the Local Authority and our School Governors, we took the difficult decision to close the school. This was due to the extremely poor weather conditions.

If you did not receive a text message to your mobile telephone, please ensure that you update your contact details, at the Main School Office.

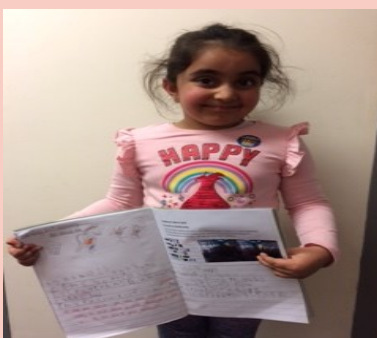

We would like to thank you for your understanding and apologise for the difficulties that this may have caused.

## Reception

This week, Reception visited Beckton Globe Library to celebrate World Book Week. The children learned the difference between hardback and softback books. They then had the chance to listen to a story and explore the books in the library independently. The children are all now eager to return back to the library to become fully fledged members.
