

Year 3

Year 3 have been learning all about Ancient Egypt!

This week they have been making canopic jars, inspired by their understanding of the afterlife, mummification and

the Valley of the Kings. Here they are practising clay skills, pinching thumb pots and learning how to sketch using different types of lines.

Important Changes

Dear Parents

We are excited to announce that construction work of our new school library will be commencing during the half term break. To enable all works to be carried out there will be no entry or exit around the side of the school in Key Stage 1. Pupils will need to come into the school grounds via Renfew Close or the Key Stage 2 Playground.

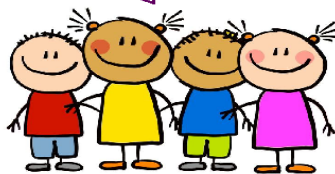

We apologise for any inconvenience that this may cause.

Celebrations

As a healthy school, we promote healthy alternatives for all celebrations, including birthdays. Below are a few alternatives to sweets, cakes and chocolates, for parents wishing to share a treat on their child's birthday.

We're making healthier choices!

We celebrate birthdays by singing 'Happy Birthday' /by giving out birthday stickers. If unhealthy treats are brought into school for celebrations they will be returned to parents/carers.

Flu Vaccination

Dear Parents, It's that time of year when the Newham immunisation team are coming back into Winsor to offer the children (from Reception to Year 4) the nasal flu vaccine.

Flu is an illness caused by the influenza virus, it is common during the winter months. The vaccination programme is designed to protect your child against flu which can be an unpleasant illness.

The immunisation team will be at Winsor on 20/10/2017 helping to protect them from the flu virus in time for the winter, and helping to protect other family members because they are not spreading the influenza virus infection.

Baby Musical Rumpus

A musical adventure for 0-2½ year-olds
Musical Rumpus

Spitalfields music

Fogonogo
