

Enterprise Week

The Year 1 children had the opportunity to develop a range of skills through taking on responsible jobs in their smoothie bar. The bar opened four times a day and served pupils throughout the school. There was a buzz of excitement all week as the pupils awaited their chance to buy a milkshake.

This excitement was also felt by the Year 1 children. After their first shift at 'work' was over, they were keen to be given the chance again and again and some children were able to experience more than one of the four jobs - cashier, waiter/waitress, chef or cleaning crew. Even though there were three adults present during each shift, the children were able to fulfill their roles with minimum guidance. Some of the Year 1 children were 'promoted' as trainers and positioned in the smoothie bar to allow their less confident peers to shadow them.

The Year 1 teachers are very proud of their pupils' achievements and wish to thank the KS1 support staff for their dedication and hard work. It was not an easy week, but a very fulfilling one!

Kamile

Kamile really loves animals. When she grows up, she wants to be a vet and work in the surgery near her home. Her hamster, Belute, is female and she is a very loved pet indeed! Kamile is a very hands-on owner, helping her mum to care for Belute. This includes refilling her food and water every day and cleaning out her cage on Saturdays. Kamile also handles Belute every day, which is a very important part of having a pet. She told me that you have to be very gentle so that you don't hurt your hamster.

Kamile made a decision that she wanted to share her pet with her class. On Tuesday 12th June, Kamile's Mum brought Belute to school at the end of the day and her class-mates were able to enjoy her company whilst they were waiting to be collected. Thanks very much Kamile for sharing your lovely pet with us!

Sports Day

KS1 Sports Day - Tuesday
19th June

KS2 Sports Day - Wednesday
20th June

Pupils need to wear their house team t shirts or house team coloured t shirt, bring a water bottle and wear trainers. If pupils can come in wearing their PE kit that would be great.

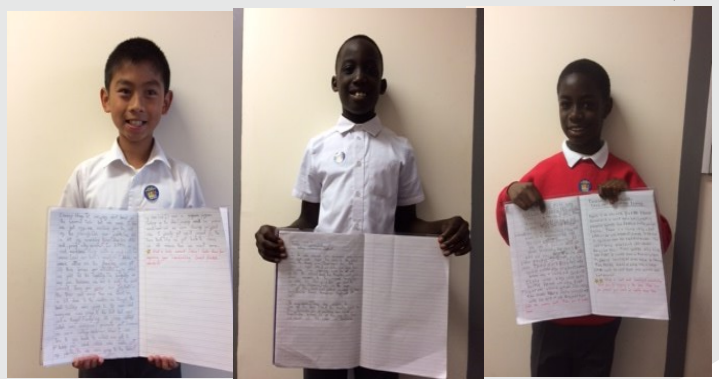

Parents are welcome to join us on both days at 9.15am.
