

Year 5

We would like to say a huge thank you to our army of volunteers who have helped to tidy up our Reception storage shed, our art and music rooms.

This May, pupils in Year 5 had a great opportunity to develop their understanding of their topic through visiting the Museum of London in Docklands and taking part in a workshop about the Second World War. They improved their enquiry skills and explored different objects from that period. They had great discussions and memorable experiences!

Data Protection

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

For more information please visit the school website.

Year 3 Educational Visit

Last week Year 3 went on an Educational Visit to Kew Gardens. They learned a lot of information about plants from all over the world!
