

Gary Wilson Raising Achievement Parent Workshop

Winsor welcomed Gary Wilson on Tuesday 23rd January. He spoke about raising confident caring boys and how best to support them. The response from parents was very positive and we were proud to host nearly 60 parents.

Here are some of your comments.

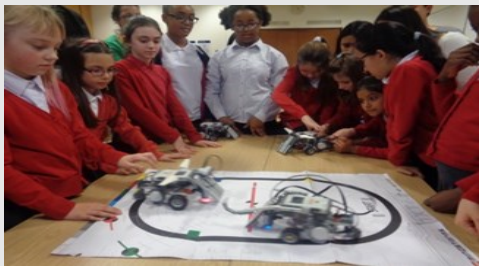

Very pleased I attended (mother of three boys) extremely beneficial.

Lots of helpful information.

This talk was very enlightening and delivery was very entertaining too.

Excellent session. Well done, Winsor.

Thank you to the staff who led an impromptu crèche. It was much appreciated.

Girls Engineering

Last week, girls from Winsor had an opportunity to take part in the splendid and inspiring workshop at the Imperial College London. Our pupils learnt the basics of engineering, robotics and programming using LEGO Mindstorms NXT kits. Children used their ideas to create a variety of outcomes. Our pupils did really well.

Have a look!

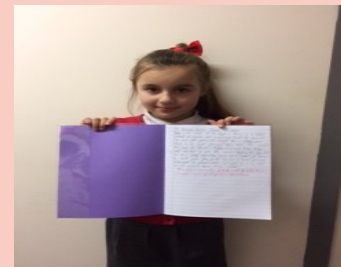

KS1 Mini Olympics

On Monday 22nd January some of our pupils went to Eastlea Secondary School to participate in a KS1 Mini Olympics Competition. The children were outstanding and out of the eight schools competing we finished in second place.

Well done. We are so proud!

Times Table Rock Stars

Would you like to know how to support your child in learning their times tables? Have you got questions about Times Table Rock Stars? Come along to find out more on Wednesday 31st January 9am-10am.

Head Lice

Please check your child's hair regularly for head lice and nits (head lice eggs laid close to the root of the hair). If your child has either, it is very important that you treat your child and ALL the members of your household with a specialist shampoo.

Top Tips to prevent head lice:

- Wash hair at least every two days.
- Use conditioner every time (particularly in long hair). Thoroughly comb the conditioner through with a fine tooth comb, leave on for a couple of minutes, then rinse.
- Tie or plait long hair when coming to school.
- Check your child's hair at least once per week.

For more information go to www.nhs.uk and search for head lice.
