

Year 6

Summer 1 Newsletter

SATs Preparation

In this booklet you will find information on some of the things your child will be covering in class. You will also find a few ideas of how you can help your child at home.

We value your support in working with us and hope that you will find this information useful.

ENGLISH

During English lessons, we will be looking at writing non-chronological reports.

We will be revising key areas of Spelling and Grammar in preparation for the SATS tests, including:

- Word Class
- Tenses
- Punctuation

MATHEMATICS

- Read, write, order and compare numbers up to 10 000 000 and determine the value of each digit.
- Ensuring we are proficient with all four operations and using concise methods to solve.
- Solving duration and time problems.
- Reading timetables and calendars.
- Addition, subtraction, multiplication and division of fractions.
- Finding equivalent and converting between mixed and improper fractions.
- Revision of all areas of Maths in preparation for the SATS.

PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT

- Developing strategies for coping in times of pressure.
- Creating goals.
- Breaking up longer-term goals into achievable targets.
- Thinking of ways to support others during times of need.

PHYSICAL DEVELOPMENT

- Developing general fitness.
- Participate in net games.

HOME LINKS

In preparation for the SATs tests beginning the week of 14.5.18:

- Practise multiplication facts.
- Support your child by working through the study guides.
- Ensure that your child accesses Bug Club for Reading / TTs rockstars and Mymaths for Maths x3 per week as part of homework.
- Ensure that your child reads for at least ten minutes per day and keep a record in the reading log. This should be a mixture of independent reading and reading with an adult.
- Ensure that your child revises key areas of Maths and English.
- Ensure that your child is getting enough sleep and exercise in the build up to SATs.
