

# Summer Term Made of Money Workshops at Winsor

We have teamed up with Made of Money to offer parents and carers a course about money-but not as you know it! It's fun, relaxed, and covers things useful to everyone.

During the sessions, you'll be looking at:

- How to save money
- Understanding budgeting, credit, and debt
- How we can teach our children about money, and help them become adults who are more able to look after their money
- How we can help our children (and ourselves!) to deal with the pressures to have things, and be more aware of advertising and branding
- How we talk with other people about money, be it family, friends, or banks

This is done in lots of fun ways - through taste testing food, games, and lots of chances to talk, as well as practical tools for you to take away and use at home.
