# Let me introduce you to our wonderful school...

Winsor is a happy and vibrant school located in Beckton, East London. We are a dynamic and supportive school providing children aged 3 to 11 with a robust and rigorous education.

We aim to create an environment that is purposeful, inclusive and engaging at the heart of our culturally rich and diverse community. Winsor is a place where children grow into resourceful, independent learners; a school where children develop a thirst for learning which will stay with them throughout their lives.

All our endeavours are concentrated on our vision to develop the whole child, ensuring that we lay the foundations for them to become responsible citizens of the future. We aspire to create an atmosphere where individual strengths are nurtured so that all children can achieve at an outstanding level.

We are very lucky to have a strong and dedicated staff group who are passionate about the quality of the education they provide; and we actively engage with parents and the wider community, as we recognise the importance of encompassing the richness of diversity and culture into our school.

I would love to invite you to come and meet our amazing pupils and staff. Please contact Nisha Mathu [nisha.mathu@winsor.newham.sch.uk](mailto:nisha.mathu@winsor.newham.sch.uk) if you wish to book a tour. Don't forget to follow us on Twitter: [@Winsor\\_Primary](https://twitter.com/Winsor_Primary) to keep up-to-date with news, events and dates for the diary.

I look forward to meeting you in the near future.
