

Ms K Batchelor
Teaching Assistant

It has been a privilege to contribute to a school which has the community as its primary motivation and I passionately endorse the school's message to 'Be the Difference'. I have been part of this wonderful team for many years and continue to be excited about the progress being made in all aspects of school life.

Fourteen years ago, as a parent of a Winsor child, I was asked to volunteer to support SEN children. The moment I walked through the school gates, I felt welcomed and excited to be part of this wonderful school. After a few weeks I was offered a permanent role and I jumped at the chance. It was the best professional decision I have ever made.

Every day I have the privilege of working with children to unlock their potential and see them thrive both academically and socially. The school has constantly supported me as my role has evolved throughout my Winsor career.
